

# Kromet 836 LC

> **Excellent cut protection and resistance to wear with optimal dexterity and comfort.**

- Excellent cut resistance on all parts of the glove
- Reinforced protection of the fore-arm thanks to its longer cuff
- Good resistance to wear and good puncture resistance (barbs) due to leather palm
- Reinforced crotch between thumb and forefinger.

## Automotive/mechanical industry

- Metal working
- Handling untrimmed parts or sheet metal
- Handling sheet metal
- Handling parts post-press
- Cutting strips (plasma etc.)
